POLO, TEE SHIRT, & TOTE BAG GRAPHICS

Graphics are large and are available for the backs of the Light-Weight Summer Polo Shirts (2800), the Medium-Weight Year Round Polo Shirts (1220), and on Tote Bags. It is printed on the fronts of the Fun Year-Round Tee Shirts (5170), unless you request a crest and your name/title/district on the front and order a graphic on the back.

It is not available for the backs of the Office-Wear Dress Pique Sport Shirts (3800) or for Hats. The Kids Graphic (G2) and the Proud Mary Graphic (G6) print lighter on the Canvas Tote Bag (Q800) because of the coarse material. If that is a concern for you, then we recommend you order the Silky Soft Cotton Tote Bag (QTB) for these two graphics.
